

Chairman Park, Jong-Keun

Chairman Jong-Keun Park was appointed to the Korea Electricity Regulatory Commission (KOREC) by President in July 2016 for a term of three years.

From 1983, Chairman Park has worked as a professor in School of Electrical Engineering, Seoul National University, Korea. His research areas are power system economics, energy policy and power system analysis.

And he was the President of Korean Institute of Electrical Engineers(KIEE), and a member of the National Academy of Engineering of Korea and the Korean representative of the study committee SC5 “Electricity Markets and Regulation” in CIGRE. Also he is now a fellow of the Institute of Electrical and Electronics Engineers (IEEE).

Chairman Park received B.S. degree in electrical engineering from Seoul Nation University, Korea in 1973 and his M.S. and Ph.D. degrees in electrical engineering from the University of Tokyo, Japan in 1979 and 1982, respectively.
